*The Monthly Newsletter of the
Memphis Classic Chevy Club
January 2010*

Meeting at Fresh Slices, 6600 Stage Rd Monday, January 18th 7pm

starting in March cruise-in every Thursday, Stage & Kirby Whitten, Bartlett. 6pm

Happy New Year 2010 !!!

David Adams is still mending and is still in a boot cast. I do think he is well enough that not being able to walk as normal is getting very old, so this means he is improving.

David and **Cindy Hubbard's** granddaughter Emma, has been in the hospital with Pneumonia and a high fever. **Cindy's** Dad was hospitalized with a heart condition. As you can imagine this has not been the best start of a new year for them. I am sure there are other members with issues. Please keep all in your thoughts and prayers.

What a nice time we had at our annual **Christmas Party**. A special thank you to **Jack** and **Sherie Mabry** for making arrangements for the use of their church. There was plenty of room and a well stocked kitchen. Thanks to the ladies decorating tables, it was a festive winter wonderland. Everyone was having a really, really nice time until the gift swap. There was the usual "dirty Santa" stealing, but then **Alka Cohen** had the gift of all gifts! A pinstriped commode seat. She was a good sport and laughed, as we all laughed "with her". Then it was taken for a bathroom remodel by **Louis Kimery** and all was well. Thanks to everyone bringing the delicious food. The last 2 announcements of the year were made. Congratulations to **Danny Ford** winning Participant of the Year. This was

the 2nd year in a row. You should give **Danny** a run for the title this year. For every meeting or event you attend you receive 1 point. If you drive your classic car or truck you get 2 more points. So crank up your classic car or truck and show up! **James Hicks** was elected Member of the Year. This too, was the 2nd year for **James**. This is voted by members, who we think have done the most to improve and benefit the future of the club. Way to go.

Well here we go a new year, new plans! The officers already have good things in the works. **Ronny Hodnett** has a couple of trips on the calendar and will have information at the meeting. He's bringing back the **Model Car Contest** among other ideas. We are planning a **Valentines Party** Saturday, February 13th. If you would like to host our party please contact **Ronny** 901-212-3608. **Jack** and **James** have been working on club shirts, car shows and plans for the whole year. The Tech-no duo **Gerald** and **Jim** have a special surprise guest at this meeting. All the officers need our support, they welcome ANY ideas or concerns you may have. Contact any officer to discuss your ideas.

We will decide on our charity for 2010 soon. You can nominate any charity and we will hold a vote at the meeting. Also, club renewal is due now. It's \$25 per family. I will have a 2010 Roster available at the March meeting. Please pay dues now, so you stay with us!
See you at the meeting and...Happy Cruisin'!
