

## MEMPHIS CLASSIC CHEVY CLUB'S

# BOWTIE BUZZ

[Meeting at Coletta's 2850 Appling Tuesday, Jan. 16<sup>th</sup> 2007 @ 7:00pm](#)

Here we go, its 2007. The events page is filling up and we can't wait. Lots of opportunity for an action packed year with the club! The Bunny Run and Super Chevy are around the corner. The Blue Suede Cruise is weeks away. The Hot Rod Power Tour will be in Memphis in June. Some members are planning to go to Detroit to the 57 and 67 anniversary celebration. There will be lots more discussion later in the year. Get your calendars and fill in dates!

This is a copy of a reply from Geneva. I wanted everyone to read it from her, please remember Vicki, Geneva and their family in your prayers.

"Thanks for remembering us in your prayers. My daughter-in-law, Vicki Wilson, was admitted to the hospital (St. Francis) on December 20th. She is still there and probably will be there through next week. Haven't been told exactly her discharge date. She is taking chemo and radiation at the same time. Her treatments started last Thursday. She will have radiation 5 days a week for 6-1/2 weeks. Also she is hooked up to chemo for 24 hours a day for 4 days at a time. She will get 4 rounds of this chemo with only a couple of days between each round. So far she is doing pretty well but I know she will feel a lot worse as time goes by." Please continue to pray for us.

Thanks,  
Geneva Loper

Teri Hodnett is having surgery January 17th. Most of you know she has had trouble many years now, she will have a total knee replacement this time. So we wish the best and keep her in all our prayers.

Club dues are \$20.00 per year and are now due. I will have the 06 roster via

email and at the meeting for corrections and/or additions
